Dear Lessee

### **Re: Texryte House Cladding Remediation Update – November 2024**

We write to update you on the organisation of the cladding remediation works.

The full works and costs document and contractor recommendation has been provided to the GLA Case Officer to review, and we expect it to be submitted formally to the GLA's cost consultant by the beginning of December.

The Greater London Authority (GLA) continues to escalate the application for a top-up of Pre-Tender Support funds to the Department of Levelling Up, Housing & Communities (DLUHC) and HM Treasury for a response.

We will continue to keep you updated.

Yours sincerely

**Michael Maunder Taylor BA(Hons), MSc, FRICS, FIRPM**
